

Paul Brooks, Esq.

I am cabling Fretz & Wasmuth today that I am asking you to send the contract to them and that you and I had worked out this contract pursuant to the understanding reached in previous messages which I had received from Fretz & Wasmuth and Gisevius.

Naturally, I stand ready to be of any further assistance to you and to the author.

I return herewith one of the signed copies of the draft contract which you sent me and have retained the other copy for my files, unless you wish its return. I will, of course, cancel your signature thereon.

Faithfully yours,

A. W. Dulles
